The Saskatchewan Library Trustees Association (SLTA) is a non-profit organization incorporated under provincial law to represent the interests of library trustees across the province. Individual membership in the SLTA is open to anyone who is interested in libraries for a nominal \$10.00 membership fee.

SLTA is looking for support from local library boards. We would also suggest buying an individual SLTA membership for your mayor and/or members of councils as a way to show support for libraries. Your support can help us help libraries!

Membership provides each member with the newsletter, "The Trustee". This newsletter identifies the major issues facing libraries and allows us to work together to achieve our common goals.

If you would like more information please contact your region's SLTA representative or myself at the above address. Also check out www.lib.sk.ca/slta for more information.
